

JOINT FINANCE ALLOTMENTS PROPOSALS

SCOPE OF PROJECT.

We have successfully raised £7,500 to be spent over 18 months, from SEPTEMBER 1999 TO MARCH 2001

We have made a commitment to organise at least six workshops and conferences, promoting locally-grown food topics, in line with the agenda set out by the Soil Association's Food Futures project.

This funding will be administered by the Healthy Gardening Group.

Several areas of interest have been identified including allotments, food poverty and community regeneration, sustainability, links between rural and urban communities, organic food production; training and education.

Richard Clare of Sheffield Organic Food Initiative has prepared this paper to set out some ideas for the first of these subjects.

AIMS AND OBJECTIVES:

1. RAISE THE PROFILE OF ALLOTMENTS
2. DEVELOP A WIDE CONSENSUS IN SUPPORT OF ALLOTMENT CULTURE
3. EXPLAIN THE POTENTIAL BENEFITS FOR THE WIDER COMMUNITY
4. ENGAGE SUPPORT FROM STATUTORY AUTHORITIES (COUNCIL / HEALTH AUTHORITY etc.)
